

SAGE Student Research Conference – Poster Judging

	<b>Needs Improvement (1)</b>	<b>Good (5)</b>	<b>Exceptional (10)</b>	<b>Judge's Score (can range 1 to 10)</b>
<b>Poster Appearance / Clarity</b>	Poster was acceptable but needs work to improve visual appeal through better utilization of fonts, colors, headings, and white space.	Poster was adequate but could improve its effectiveness through better use of space through font size, colors, heading, and white space.	Visually appealing and strongly effective presentation. Easy to read. Utilized creativity in use of fonts, headings, colors, and white space.	
<b>Oral Presentation</b>	Presenter did not convey a sense of confidence or ability to clearly discuss the topic. Additional practice would be helpful.	Overall, a good presentation but demonstrated some problems (speaking too softly, hesitation, inability to handle questions, etc.).	Presenter was confident and professional. Established eye contact. Expressed enthusiasm and responded well to questions.	
<b>Translational Significance (Consideration of Interdisciplinary Audience)</b>	The poster conveys its significance to a wide audience and effectively communicates the study's implications to the general public. Provide Score Between 1 (needs improvement) and 5 (exceptional).
